### Delegate's Corner

#### June Reflections & Exciting Roads Ahead

*By Your Area 74 Delegate*

It's been a busy and deeply rewarding season of service—and I wouldn't have it any other way!

At the top of my list this month has been *recruiting volunteers* for the **East Central Region Hospitality Room** at the **International Convention** in Vancouver. It's been incredible to see the enthusiasm and unity from across our Region as members step up to help welcome and support our fellow A.A.s from around the world. If you haven't signed up yet, there's still room—being part of this experience is truly unforgettable.

Earlier this month, I had the privilege of giving the **Delegate's Report at District 5**. It was energizing to share highlights from the General Service Conference and hear the thoughtful reflections and questions from our local trusted servants. Our collective conscience is alive and well here in Area 74.

Speaking of spirited fellowship, I also had the chance to **speak at the Munising Intergroup**—what a warm, engaged group! It reminded me once again of the power of showing up and connecting with members in all corners of our Area.

On the horizon, I'm honored to have been **selected to present at the East Central Regional Forum in Indianapolis** this fall. These forums are a unique opportunity to deepen our understanding of General Service and to bring back fresh inspiration to our local groups.

And of course, all roads lead to **Vancouver!** Our **International Convention** is just around the corner, and I'm thrilled to share that **Area 74 will be proudly represented**, with both our **Area Webmaster** and **Area Public Information Chair** speaking on panels. It fills me with gratitude to see our Area's commitment and experience recognized on the global A.A. stage.

In the midst of all the travel, reports, and planning, I'm reminded that every bit of this service work comes back to one thing: *helping the next alcoholic*. It's a privilege to serve you, and I'm so grateful to walk this path with all of you.

Looking forward to seeing many of you at the **Area Committee Meeting on July 12th!**  
In service and gratitude,

Nicholas Stabenow-Schneider

FROM THE AREA 74 AREA CHAIR/ALTERNATE DELEGATE

Hello, fellow Alcoholics Anonymous members. Sobriety has brought many blessings to my life, thanks to my Higher Power and our fellowship. Now, I experience a rush of endorphins when discussing recovery with trusted individuals, rather than relying on alcohol, drugs, or sex as I did in the past. For me, the time I take to have a one-on-one conversation, either before or after a meeting with someone in the parking lot, or when I sit down with the men that I have the privilege of working with as a sponsor, some people ask me about the importance of Alcoholics Anonymous (AA) in my life. My response is that I was a chronic alcoholic, consuming alcohol daily; remaining intoxicated was my top priority. Currently, I attend AA meetings regularly. I dedicate a significant portion of my time to assist those still struggling with alcoholism. This involvement allows me to practice the principles of the program in various aspects of my life, whether at area service levels, during my home group meetings, or with individuals I've connected with through the program. Recently, I have had several honest discussions with close acquaintances, addressing issues in my life in a mature and adult manner. As I approach the end of my current service position at Area 74 in mid-2025, I can see my personal growth clearly. Yet, there's still room for improvement, and I must stay vigilant against pride and ego with the help of the fellowship. In my recovery and service journey, I am fully committed to serving well. Opportunities to practice these principles are always present. Wishing everyone a blessed day, as my friend Glenn would say. Also, to correct last month's article: my younger brother, who died of AIDS in 1994, always said, "Contribute, don't complain."

Thank you for letting me be of service.

Bill D. Area74 Alternate Delegate /Chair.

**\*\*NOTE FROM THE DELEGATE:** The servants of Area 74 are excited to provide the **dates for the Area 74 Service Structure**. We are lucky to live in an area that hosts many conferences, workshops and fellowship events. As your trusted servants, we sometimes miss the chance to participate in local events because they conflict with the service events you have entrusted us to conduct. We hope that, by providing the Area 74 service structure dates in early fall; they can be considered as you plan your service and fellowship events for the coming year. We look forward to seeing you.

NOTE FROM CO-EDITORS: We have combined the general events and the Area 74 Service Structure events into one calendar.

## INTERNATIONAL CONVENTION ALCOHOLICS ANONYMOUS

July 3–6, 2025 | Vancouver, British Columbia, Canada

June 11, 2025

To: GSRs, DCMs, Trustees, Non-trustee Directors, Area Officers and Committee Chairs, Delegates, Appointed Committee Members, Intergroups and Central Offices, Group Contacts, GSO and Grapevine Employees

Dear A.A. Friends,

Last month your area delegates, trustees, and staff came together in unity as members of the 75<sup>th</sup> General Service Conference. As I reflect on this incredible week of service, there is so much that comes to mind: the wonderful work of the committees, the debate and sharing on the Conference floor, and the camaraderie among us all. Simply, this was love and service in action. Our Conference is the very best expression of our Second Tradition and the group conscience of the Fellowship of Alcoholics Anonymous.

Our member employees, the GSO Staff, with support from all departments and employees of GSO, are hard at work coordinating the implementation of the group conscience of the General Service Conference. This is taking place in the form of various orientations of trustee and conference committee chairs to ensure there is common understanding of committee work and process for the year ahead. The Staff are also organizing the many Advisory Actions and committee considerations to be included in that work. This is very significant work and is being done with grace and in the best spirit of A.A.

Meanwhile, reporting back to the Fellowship is in full swing throughout our service structure, and I encourage all to take advantage of the opportunity to attend various events where your delegate provides their reports. Your local area website will likely include details to help you find any Conference reporting in your area.

I also want to provide a few updates about what's happening at your General Service Office. Many of you already may be aware that as a result of the work of the Location Plus Committee of the General Service Board, it was decided that we will continue office operations from our current location at 475 Riverside Drive in New York. This committee completed its work last year with the assistance of an outside expert who performed an objective assessment of our location with comparison to several other possible locations throughout our structure. Included in the committee's report was the recommendation to consolidate our operations on the 8<sup>th</sup> and 11<sup>th</sup> floors on the 11<sup>th</sup> floor only. This will not only realize a savings in occupancy costs but also allow for better collaboration and effectiveness among all departments and services we provide. This consolidation will require modifications to our office space in order to accommodate our Publishing and Communication Services Departments, which now are on the 8<sup>th</sup> floor.

Over the last several months, we have spent considerable time and effort planning for the retrofit of our space. In order to keep associated costs at a minimum and minimize disruption to services, the office will be operating remotely for the duration of the project, which is expected to be about 10-12 weeks. Please know that we have made provisions for our mail and shipping operation, and our phones will be operational throughout. Unfortunately, visiting the office during this time will not be possible, but GSO tours will resume when the project is completed. Once we have a definitive timeline for the project, I will communicate that widely including on [aa.org](http://aa.org), [aagrapevine.org](http://aagrapevine.org), the Meeting Guide App, as well as the Grapevine and La Vina apps.

I also want to share my enthusiasm and excitement for the upcoming [International Convention](#) that will be held July 3-6 in beautiful Vancouver, British Columbia, Canada. There's still time to [register](#), so I hope all members who are able will consider attending. My attendance at several prior International Conventions have been some of the most impactful experiences in my sobriety. Many members I've met over the years have shared similar sentiments. You can register [here](#) or on site when you arrive at the Convention. You may also find it helpful to review our [frequently asked questions \(FAQ's\)](#) to learn more about Convention, including information regarding options to experience segments of the event virtually for those who aren't able to attend. I'm looking forward to seeing you in Vancouver, woohoo!

Also significant throughout the year, your office provides planning and support for Regional Forums, General Service Board weekends, AAWs board meetings, and the General Service Conference. Our GSO Staff members also attend many of your assemblies, conventions, and roundups as well as welcoming many of you when visiting your General Service Office here in New York. In addition, they respond to the many daily inquiries from members and groups and provide them with shared experience from other groups and literature or service material that help them carry the A.A. message. All of this distills directly to the essence of our Fellowship and program of recovery; the magic of Alcoholics Anonymous that happens when one alcoholic comes together with another to share their experience, strength, and hope.

With gratitude for your continued service to Alcoholics Anonymous,

Bob W.  
General Manager, GSO

### Class A Trustee Vacancy – April 2026

Dear Friends,

On behalf of the Trustees' Nominating Committee, I would like to inform you that the committee is seeking a Class A Trustee (**Nonalcoholic**) for the General Service Board. The successful candidate will begin at the conclusion of the 76th General Service Conference, ending in May 2026. The committee hopes to have the pool of qualified applicants reflect the diversity that A.A. strives to have within itself.

The committee looks forward to receiving any resumes of professionals who you think would be interested in serving as a Class A Trustee following the General Service Board meeting in May 2026, or in the future.

As you know, the General Service Board currently consists of 22 trustees. Fifteen are alcoholic, elected from the membership of A.A.; and seven are **Nonalcoholic** professionals who generously volunteer to serve on our Board. They are from a variety of professionals such as, but not limited to, accounting, clergy, corrections, education, finance, health care, law, medicine, military, psychology, social work, and science. In addition to demonstrating leadership qualities, they share professional experience cooperating with Alcoholics Anonymous, and an interest in helping alcoholics to stop drinking and lead a healthy, productive life.

**Time Commitment** – Class A Trustees serve two consecutive three-year terms. Trustees are reimbursed for travel, hotel, and meal expenses. Applicants are encouraged to discuss this time commitment with their family and employer. I would like to stress the value your applicant's experience could bring, and the impact on the A.A. Fellowship. Therefore, their availability and attendance at the following meetings is critical:

- Three quarterly weekend meetings – usually Friday through Monday noon.
- One, seven-day Conference annually in April/May.
- Regional forum weekends, as assigned.
- Attend any special meetings of the Board.
- Participate in committees and subcommittees whose work often involves video calls on weekends and evenings.
- Possible attendance
  - Serving on either corporate board - the A.A. World Services Inc. or the A.A. Grapevine Inc, at least seven times a year.
  - Speaking or participating in regional, area or local A.A. events when invited.

**Deadline: Sunday, August 31, 2025** – Please send resumes to [nominating@aa.org](mailto:nominating@aa.org), [2026 Class A Trustee Announcement Smartsheet link](#), or mail Attn: Secretary, Trustees' Nominating Committee, General Service Office, P.O. Box 459, New York, NY 10163. Candidates are invited to include statements demonstrating interest in Alcoholics Anonymous, leadership skills and characteristics, a proven track record in their own professional field, experience as a board member, and experience working with AA and its members. Virtual interviews will be conducted during the second week in October and finalists will be invited as guests to New York for an in-person interview during the January 30-February 1, 2026 Board meetings.

Sincerely yours,

**Scott H.**
